

## ***An Evening Lecture with Conrad Schumacher***

*Dear Aderro Friends and Conrad Fans,*

We are please to invite you to join us for an informal evening lecture with Conrad Schumacher. Conrad will discuss his **theories and principles of Classical Dressage Training and Riding**.

Using a few selected segments from his recently release DVD, Prepare to Win!, **Conrad will explain his theory on how riders can develop mental fitness for competitions and how the importance of learning “feel” will assist horse and rider in getting better results on the show ground ... and much, much more!**

We have limited space in the Aderro Dressage Centre Gallery so it will be an intimate environment of only 50 people. We will serve wine and nibbles and encourage you to bring long considered questions to ask Herr Schumacher at the end of the session.

For those of you who have already purchased his DVD, Conrad will be happy to sign them – for those of you who haven’t – now is your chance!
